IS THE BIBLE REALLY GOD'S WORD?

Please don't dismiss this based on the title. This is a question that deserves some thought on your part. The Bible claims it is. In fact, the Bible teaches that every specific word it contains was given by God. External proofs support this claim. Do you really believe this? Have you believed it in the past but now maybe you are not so sure? Either the Bible is telling the truth or not. What say you?

Consider the following verses.

*“With my whole heart I have sought You;
Oh, let me not wander from Your commandments!
Your word I have hidden in my heart,
That I might not sin against You.”* (Psalm 119:10-11)

“For this reason we also thank God without ceasing, because when you received the word of God which you heard from us, you welcomed it not as the word of men, but as it is in truth, the word of God, which also effectively works in you who believe.”

(I Thessalonians 2:13)

“All Scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness, that the man of God may be complete, thoroughly equipped for every good work.” (II Timothy 3:16-17)
