## **2020 VISION: Life and Death**

By: Scott Thrasher

Imagine you are filling your vehicle at a local gas station. Next to you, you see a man pumping gas into an SUV. The vehicle has "out of state" license plates and the appearance that the occupants are on vacation. You begin small talk by asking a couple questions. "Where are you from?" "Where are you going?" The man replies back... "I'm not sure..." What? The vehicle is filled with travel accessories. They had obviously already traveled some distance from their home. How could this be?

We find this incredulous, yet the world is filled with individuals living just like this. They give the appearance that their lives have a calculated course. Yet, they do not even know where they came from or where they are heading!

We all came from God. Life is the union of a physical body and an inner spirit. This union is a precious gift given from God (Genesis 1:26-28, 2:7). God created man in His image. We have no excuse for not knowing where we came from.

On the other hand, death is the separation of that physical body and inner spirit (Ecclesiastes 12:7, James 2:26). Our physical body goes back into the ground. Our spirit goes to the Hadean realm to wait for the coming resurrection and final judgement (Acts 2:27, Luke 16:19-31, John 5:26-28, 14:1-3).

**Don't forget where you came from and where you are going!**
