## 2020 RESTORATION: THE EMOTIONS OF RESTORING WORSHIP

*“When the builders laid the foundation of the temple of the Lord, the priests stood in their apparel with trumpets, and the Levites, the sons of Asaph, with cymbals, to praise the Lord, according to the ordinance of David king of Israel. And they sang responsively, praising and giving thanks to the Lord: “For He is good, For His mercy endures forever toward Israel.” Then all the people shouted with a great shout, when they praised the Lord, because the foundation of the house of the Lord was laid. But many of the priests and Levites and heads of the fathers’ houses, old men who had seen the first temple, wept with a loud voice when the foundation of this temple was laid before their eyes. Yet many shouted aloud for joy, so that the people could not discern the noise of the shout of joy from the noise of the weeping of the people, for the people shouted with a loud shout, and the sound was heard afar off. “(Ezra 3:10-13)*

The Israelites had been away in captivity for 70 years. We have been apart for two months. Yet we experience much the same emotional reaction to being back together again!
