Jesus CAN RESTORE ANYONE

UPDATE ON BIBLE CLASSES

Our elders hosted an open forum last Wednesday evening following our Bible study hour. Members were encouraged to attend and share their thoughts concerning going back to our regular Bible class schedule. Opinions were mixed on how & when to accomplish that.

Those opposed to starting back to a regular class schedule expressed concern for the timing considering the uncertainty of the current school year and the mixing of students from multiple area school districts. They wanted to wait one month to allow time to see what happens with those local districts.

Those wishing to move forward and start classes immediately, cited small class sizes and they believe exposure is already taking place in our weekly meetings.

After consideration of all points of view, our elders have decided that it would be prudent to hold off to October 1st and see how the local school districts fair. We will continue with no Bible classes on Sunday morning. We will also continue to have a combined Wednesday night Bible class in the auditorium. There will be no Not So Youth classes until the children go back to regular classes.
