## WHAT DOES IT MEAN TO “VOTE”?

By Scott Thrasher

*“Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter!” (Isaiah 5:20 KJV)*

Merriam-Webster Dictionary defines the term “vote” as “to express one’s views in response to a poll...,”to choose, endorse, decide the disposition of, defeat or authorize by vote.” A vote expresses one’s opinion and support for the object receiving that vote. In the United States of America, we live in representative republic. Our votes elect representatives, who in turn speak for us.

Merriam-Webster Dictionary defines a representative as “a person chosen or appointed to act or speak for another or others, in particular”. How do you want someone speaking for you? What do you want them to say or support?

## **Oh how important our votes are!**

In a few days, our country will return to the polls to vote on a ballot filled with differing candidates and measures. Ultimately, we will have an opportunity to speak out against or support evil. Will you listen to Isaiah’s words above? Will you stand against those that support abortion and other sinful acts. Your vote for that party or platform says...“I choose”, “I endorse”, “I authorize”, yes, please speak for me.” A vote carries much responsibility! Choose wisely.
